PARTIES TO THE AGREEMENT

This Agreement is made and entered into effective as of December 1, 2021 by and between SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 1, (The "Union") and APARTMENT BUILDING OWNERS AND MANAGERS ASSOCIATION OF ILLINOIS (The "Association") acting for and on behalf of itself and each of the Owners and other Employers (as defined in Article II, Section 1(f) hereof) of specified premises (as defined in Article II, Section 1(e) hereof) represented by the Association who have authorized the Association to enter into this Agreement. It is intended that this Agreement shall constitute the Standard Agreement for premises (as defined in Article II, Section 1(c) hereof) within the jurisdictional area of the Union (as defined in Article II, Section 1(b) hereof). Accordingly, the parties to this Agreement shall also include all other Employers who have agreed to, adopted, or assented to be bound by this Agreement (or who hereafter so agree) whether or not such agreement, adoption, or assent is signified in writing, in practice, or by other conduct. This Agreement shall, in addition, be binding upon the successors, administrators, executors and assigns of each Owner and/or Employer of premises covered thereby whether such is voluntary or by operation of law.

ARTICLE I

Effective Date and Duration

Section 1. Duration. This Agreement shall become effective December 1, 2021 and shall remain in full force and effect until November 30, 2024, provided that this Agreement shall continue in full force and effect thereafter until terminated by either party giving to the other no less than sixty (60) days prior written notice of its intention to terminate the Agreement, which notice shall be delivered in person or sent by first class mail to the other party.

Section 2. Termination Procedure. In the event that a sixty (60) day termination notice is sent by either party to the other pursuant to Article I, Section 1 hereof, the Association and the Union shall each appoint a Committee to meet jointly and engage in collective bargaining negotiations.

Such negotiations shall commence promptly. Unless extended by mutual agreement, such negotiations shall be concluded within thirty (30) days after the first meeting of the Committee. Failure to reach an Agreement within the thirty (30) day period shall (unless the parties otherwise agree in writing) automatically terminate the Agreement at the conclusion of the sixty (60) day period or November 30, 2024, whichever date is later.

ARTICLE II

Definitions and Application of Agreement

Section 1. The following terms as used in this Agreement, unless the context indicates otherwise, shall have the following meanings and the Agreement shall have the following application:

(a) "Notice" or "Notification". When required by an Employer, "notice" or "notification" means written notice sent either by: (i) first class mail or overnight delivery to the Union at its main office at 111 E. Wacker Drive, 17th Floor, Chicago, Illinois 60601; (ii) facsimile to a facsimile number regularly used by the Union; or (iii) e-mail to Residential Director or any other designated Union business representative.

(b) "Jurisdictional Area". The jurisdictional area of the Union shall include but shall not be limited to buildings and premises in Cook, Kane, DuPage, Will, McHenry, Lake and Kendall counties.

(c) "Premises". Premises means any building/s or any complex or any project of more than one (1) building, of fireproof construction, four (4) stories or more in height, in which there are one or more flats, apartments, or units, including private garages, stores, shopping centers, offices (if any) and the like, and including all floors, hallways, stairways, basements, porches, approaches, yards, lawns and abutting sidewalks and parkways comprising the property in which employees covered by this Agreement perform services; provided, however, this Section shall not be construed to give the Union jurisdiction over any employees employed on the premises who are already represented by another union pursuant to an existing collective bargaining agreement.

(d) "Apartment" or "Flat". Apartment or flat means that part of the premises rented or occupied for private use by a tenant or other resident or used by the Employer.

(e) "Specified Premises". Specified premises in the case of each Employer means those premises which are listed on Schedule A attached hereto and any supplement thereto and such additional premises of employers who hereafter authorize the Association to act as their collective bargaining representative in respect to particular premises. ABOMA shall furnish to the Union, on or about October 30 of each year of this Agreement, an updated list of ABOMA members who have authorized ABOMA to negotiate on their behalf, including a list of all specified premises covered under the Agreement with respect to each such member. For each specified premises the Association or Employer will provide the Union with names and addresses of the Owner or Management Representatives or Agent, the applicable federal employer identification number, and the address of the premises. It is the understanding of the parties that without regard to whether or not a particular building is listed in Schedule A and any supplement thereto, this Agreement will also cover all premises: (1) which were covered under the Fireproof Apartment Buildings Agreement of December 1, 2020 unless the Union was notified in writing prior to October 1, 2021 that the Owner of such premises did not desire such premises to be covered; and (2) which any Employer specifies or signifies is covered whether or not such a coverage is evidenced in writing, by practice or by other conduct, as in the case where, for example, an Employer recognizes the application of the

Agreement by operating under its terms and by making contributions to the Local No. 1 Health Fund and/or Local No. 1 Pension Trust Fund and/or Local No. 1 Training Fund, or by any other conduct or action/s consistent with an affirmation of the coverage of the premises by the Agreement. Notwithstanding the coverage by this Agreement of premises not listed in Schedule A, or supplement thereto, it is expressly understood that no premises are covered by this Agreement solely by reason of being owned, managed or represented by an Employer who maintains, operates, and/or controls "specified premises" as defined in this Section.

(f) "Employer". An Employer means an Owner and any other person designated by an Owner, whether acting as a Management Agent or Representative or as the association, board or other body designated by the owners of a condominium or cooperative building, or in any other capacity, to maintain, operate and/or control "specified premises" of the Owner within the jurisdictional area of the Union, and to hire and direct employees to perform "duties" covered by this Agreement in respect to such "specified premises", and/or to be responsible for the tenure, terms and conditions of such employment and/or the administration thereof. The term Employer includes but is not limited to: (1) all Employers who have designated or hereafter designate the Association as their collective bargaining representative in the negotiation of this Agreement in respect to specified premises; (2) all other persons who agree to adopt or assent to be covered by this Agreement whether signified in writing, in practice, or by other conduct; and (3) the Owner of any premises operated under this Agreement irrespective of the extent, if any, to which the Owner has retained or delegated to any management representative or agent or any other person any of the functions or responsibilities of an Employer. Each such management representative or agent or any other person who is a party to this Agreement or who has designated the Association to represent it in negotiations for this Agreement or to enter into this Agreement on its behalf for specified premises shall be deemed also to be acting for and on behalf of the Owner as a party to this Agreement in respect to the premises specified and such Management Agent or Representative or other person hereby expressly warrants that in so doing it is fully authorized by the Owner to bind the Owner as a party thereto and, upon written request, shall submit to the Union written evidence of such authorization to bind the Owner, but such Management Agent or Representative is not bound with respect to any premises which are not "specified premises" solely by reason of its managing or representing premises which are "specified premises". For the purposes of this Agreement, the term "Owner" shall not mean the individual shareholders of a cooperative building or the individual owners of a condominium unit but shall mean such person/s designated by and acting for and on behalf of such owners or shareholders collectively as in the case of a Management Agent or Representative or as the association, board, or other such body acting as an Employer in their stead. The term "Employer" shall include the successors, administrators, executors and assigns of the Employer.

(g) "Employee". An Employee means and includes persons employed by an Employer in the following classifications:

(1) "Chief Engineer". Chief Engineer means any employee engaged by the Employer to do the work and as a matter of routine to transmit the Employer's directions and instructions in respect to the performance of the work involved in the maintenance, cleaning, servicing, heating and operation of the premises, but such employee shall have no authority to hire, discharge, or otherwise discipline or reward other employees, to adjust their grievances, or to recommend any action in respect to discipline or their status as employees, or terms or conditions affecting their employment. An Employer may, however, authorize a Chief Engineer in an emergency to direct the physical removal of any employee from the premises when the conduct of such person constitutes a hazard to the safe operation of the premises or the safety of its occupants. Whenever the term Janitor is used in this Agreement, it shall interchangeably also mean Chief Engineer.

(2) "Exclusive Service Chief Engineer ". This term refers to a Chief Engineer who is employed to render services for an Employer exclusively in respect to premises at a specified location consisting of a single building or a single complex of buildings at such location and who is not permitted to service any other premises for any other employer or at another location.

(3) "Assistant Engineer". Assistant Engineer means any employee who is engaged by the Employer to assist the Chief Engineer in the performance of their duties and responsibilities with like availability in respect to hours and emergency situations.

(4) "Helper A". Helper A means any employee engaged by the Employer to perform such duties with respect to the premises as are defined and enumerated in this Agreement.

(5) "Helper A Trainee". Helper A Trainee means any newly hired employee who is to be trained for a position as a Helper A and who has less than one year's previous experience in the industry as a Janitor or Helper A.

(6) "Helper C". Helper C means any employee engaged by the Employer to perform such duties with respect to the premises as are defined and enumerated in Article IV, Section 1(a)-(c) of this Agreement.

(7) "Helper C Trainee". Helper C Trainee means any newly hired employee who is to be trained for a position as a Helper C. The training period may not exceed 6 consecutive months.

(8) "Swimming Pool Attendant". Swimming Pool Attendant means an employee who performs maintenance or cleaning services with respect to swimming pool operations in addition to other duties.

(9) "Maintenance Employee and Other Job Classifications". Such classifications cover employees engaged by the Employer, under such job title/s as the Employer may designate, to perform primarily and on a non-seasonal basis such duties as the Employer may require in respect to the physical care, maintenance and operation of the premises other than general janitorial or custodial services.

(h) "Apparatus". Apparatus means appurtenances, such as boilers, furnaces, gas and oil burners, electrical heat and other heating plant devices and mechanisms, incinerators, stokers, smoke abatement devices, pumps, refrigeration machines, air conditioning equipment, elevators, vacuum cleaners, motors and ash hoists which are permanently installed in the premises, garbage and refuse disposal equipment, and other like and related equipment, the operation of which constitutes an essential adjunct in the servicing of the premises and such other appurtenances which, if not usual to the servicing of premises, shall be agreed upon between the Employer and the Union.

(i) "Equipment". Equipment means appurtenances such as furnishings, carpets, cleaning devices, windows and door screens, storm doors and storm windows and similar articles commonly considered necessary to the furnishing and operation of the premises.

(j) "Gas, Electric or Oil Heat". Such reference means and applies only to premises heated with gas, electric or oil and operated with automatic controls.

(k) "Time Computations". All references herein to the number of days in computing time limitations shall mean calendar days, unless specified otherwise.

Section 2. Temporary Employees. All employees who are hired on a temporary, relief, substitute or seasonal basis shall be notified of such status at the time of hire, and the Employer shall notify the Union of such hire within thirty (30) days of the start date. All Employees hired under this Section shall be required to secure a Union Permit if working more than 30 days. Such permits shall be fifty dollars (\$50.00) per month, and it is the responsibility of the employee to pay for the permit. An employee's failure to secure a permit in a timely manner does not change their status from "temporary", "seasonal", "substitute" or "relief" to "regular" status.

- (a) A "temporary" employee is an employee hired on a temporary basis due to (i) the absence of one or more regular employees (as a result of a leave of absence, vacation, resignation or termination); or (ii) a special project that is intended to be of limited duration. If a temporary employee works for more than six (6) consecutive months (unless the LOA of the person for whom they are substituting is extended to more than six (6) months), or more than twelve (12) consecutive months if substituting for an employee on leave of absence due to work-related injury, their status must be changed to that of a "regular" employee effective on the first day of the month following completion of six consecutive months (or up to twelve (12) months if substituting for an employee on leave of absence due to work-related injury) of service.
- (b) A "relief" employee is an employee hired to relieve employees due to absences for periods of short duration (e.g., illness, injury, personal day, holiday, vacation, etc.).
- (c) A "seasonal" employee is an employee hired to provide services needed as a result of changes in the seasons (e.g., landscaping, storm window or window screen installation, pool readiness, etc.). If a seasonal employee works for more than four (4) consecutive months, their status must be changed to that of a "regular" employee effective on the first day of the month following completion of four consecutive months of service.
- (d) No Health, Pension or Training Fund contributions shall be required for Temporary, Substitute, Relief or Seasonal Employees.

ARTICLE III

Union Recognition, Security, Hiring and Staffing

Section 1. Recognition. The Employer recognizes the Union as the sole bargaining agent for the employees defined or otherwise referred to in this Agreement and shall bargain collectively with the Union as the exclusive collective bargaining agent for such employees with respect to rates of pay, wages, hours and terms and conditions of employment.

Section 2. Union Shop. All employees, as a condition of employment, shall be or become members of the Union on the 31st calendar day following the effective date of this Agreement or the 31st day of their employment, whichever is the later, and shall remain members of the Union in good standing during the life of this Agreement as defined by the Labor-Management Relations Act of 1947, as amended. The Employer shall notify all Benefit Funds about new employees who make the 31st day of employment and shall make all required payments to the Benefit Funds in a timely manner. For the purposes of this Agreement, Union membership shall mean only that the employee has tendered to the Union the lawfully required initiation fees and periodic dues uniformly required as a condition of retaining membership in the Union. The Employer shall discharge an employee for non-payment of Union initiation fees or dues ten (10) days after receipt of written notice by the Union that such employee is not in good standing. Said notice shall state that the employee has previously been given fifteen (15) days' written notice: (a) of the delinquency; (b) the amount and

method of computation thereof; (c) that the employee is not in good standing; and (d) that discharge will result at the end of said fifteen (15) day period unless all arrears are paid. The Union will indemnify the Employer against all claims and costs incurred by reason of the Employer's compliance with this section. The Union reserves the right, at its option, to appear and defend all such claims whenever suit is brought against the Employer. Such discharge will not be subject to arbitration.

Section 3. Dues Deduction. The Employer shall deduct from the wages of employees who authorize such deductions in writing, monthly Union dues and initiation fees (to be deducted in four installments when billed by the Union), in advance, in the first pay period of each month. Such deductions shall constitute Trust Funds and shall be forwarded to the Union within twenty (20) days thereafter. In the event such deductions are not paid to the Union within said period, the Employer shall be assessed interest on such deductions at the rate of one percent (1%) per month late charges.

Section 4. Cope Deduction. The Employer agrees to deduct and transmit to SEIU Local 1, on a monthly basis, contributions to SEIU COPE deducted from the wages of employees who voluntarily authorize such deductions on the forms provided for that purpose by the Union. These transmittals shall be made based on a monthly invoice received from the Union which shall contain the names of the Employees and the amount to be deducted from the Employees wages who are participating in the voluntary COPE deduction program. No fees, penalties or late charges may be assessed without written notice from the Union.

Section 5. Vacancies and Hiring. The Employer will inform the Union of all job vacancies and attempt to secure all employees through the Union and Local 1 Training Fund to the extent that the Union can promptly supply qualified employees, if available. The Union agrees to refer qualified employees on a non-discriminatory basis. The Union, in unison with the Local 1 Training Fund, shall keep an updated list of qualified candidates for each classification covered by the contract and shall make such list available to ABOMA members upon request. Employers may communicate to the Union job openings, which the Union will then post on its website or Training Fund website for members to view.

In addition to above, the Employer agrees to the following:

(a) Employees Information. The Employer shall notify the Union of the names, addresses, last four social security numbers, classifications, dates of hire, and wage rates of all new employees within five (5) working days of their hire.

(b) Probationary Employees. Newly hired employees shall be considered probationary employees until they have completed a 120-day period of employment. The probationary period may be extended upon good cause shown with the approval of the Union. The employee's obligation to pay Union dues in accordance with Article III of this Agreement arises upon completion of their initial thirty (30) calendar days of employment.

(c) Employee List. The Employer shall provide to the Union a complete list of all employees covered by this Agreement upon request, but the Union may not make such a request more than twice a year unless the information is needed for processing of a specific grievance. Such information shall be transmitted electronically in a common, commercially-available spreadsheet such as Excel. The Union shall make secure FTP site for transmittal of files to the Union available to all Employers upon request.

Section 6. Union Visitation. Any authorized representative of the Union shall, upon prior notice to the Employer, be permitted to meet with any employee during working hours at the place of their employment, provided that there shall be no interference with employees' duties. Reasonable requests for visitation shall not be denied by the Employer.

Section 7. Staffing.

(a) On premises where one or more janitors are employed, at least one of such employees shall be classified as a Chief Engineer, whether the employee shall be an exclusive or non-exclusive Chief Engineer.

(b) The employment of employees in the classification of Helper C is subject to the following conditions:

(1) No employee employed at the premises on the effective date of this Agreement may be terminated for the purpose of replacing such employee with a Helper C or Helper C Trainee.

(2) For premises with 12 or fewer regular employees covered by this Agreement, the ratio of Helpers C to the entire janitorial staff shall be as follows:

RENTAL PROPERTIES

Total Janitorial Staff	Maximum No. of C's Allowed
1	0
2	1
3	2
4	3
5	3
6	4
7	4
8	5
9	5
10	5
11	6
12	6

For premises with more than twelve (12) regular employees covered by this Agreement, the percentage of Helpers C within the entire janitorial staff shall not exceed fifty (50%) percent.

CONDOMINIUM AND CO-OPERATIVE PROPERTIES

Total Janitorial Staff	Maximum No. of C's Allowed
1	0
2	1
3	2
4	3
5	4
6	5
7	5
8	6
9	7
10	7
11	8
12	8

For premises with more than twelve (12) regular employees covered by this Agreement, the percentage of Helpers C within the entire janitorial staff shall not exceed sixty-seven (67%) percent.

(3) Where a Helper A or higher classified employee is discharged for just cause or leaves their employment voluntarily, such employee may not be replaced by a Helper C unless the formula provided herein is followed or after the negotiation with, and written agreement of, the Union. However, no presently employed Chief Engineer, Assistant Engineer, Helper A or Helper A Trainee may be replaced by a Helper C or Helper C Trainee.

(4) Any change in staffing pattern which exceeds the ratio provided in Section 7(b) (2) of Helpers C at any premises shall be the subject of negotiation and written agreement with the Union.

(5) Any negotiated reduction-in-force of any employee covered by this Labor Agreement shall be according to seniority as provided in Article V, Section 3 of the Agreement as presently amended. Any such employee covered by the Labor Agreement affected by such negotiated re-staffing resulting in a reduction-in-force of employees and an addition of Helper (s) C shall be entitled to preferential hiring if such affected employee wishes to apply for said new Helper C position.

(6) In cases of bona fide emergencies and/or vacation relief, a Helper C may occasionally perform duties outside the scope of the Helper C classification on the basis of seniority; provided that the Helper C performing such other duties shall be considered a Helper A or a higher classification and shall be entitled to the applicable wages for such work performed, unless prior written agreement to the contrary has been reached with the Union. The Helper C will receive the higher classification wage rate after the fourth (4th) consecutive day is worked in such higher classification.

(7) In cases of new buildings or other premises that have no prior established staffing pattern, only items 2 and 6 above shall be applicable.

(8) When "A" Janitors are performing on-call duties because the Chief Engineer or Assistant Engineer is unavailable and when called into the property, they shall be paid a premium of \$2.00 per hour for all on-call hours performed.

(c) In the event of any controversy or disagreement, for any reason whatsoever, determination of the number of employees necessary at any building or premises shall, at the election of the Employer or the Union, be a matter for arbitration under Article XV of this Agreement.

(d) In the event a Chief Engineer is unavailable for work for more than three (3) consecutive days, the employee temporarily assigned to perform the principal duties of the Chief Engineer shall be paid at a rate not less than the minimum hourly wage rate established for the Chief Engineer under this Agreement, commencing on the fourth day, but retroactive to first day of such temporary assignment for all hours worked. (Example: Employee fills in for Chief Engineer who is sick. Chief Engineer ends up being out for four days due to illness, so Employee covering Chief Engineer's work shall be paid for all four days of work at the Chief Engineer hourly rate).

ARTICLE IV The Duties of the Employees

Section 1. Duties Covered. It shall be the duty of the employee to safeguard the interest of the Employer in every possible manner, to render them efficient, capable and loyal service, and to maintain the premises, apparatus and equipment thereof and protect it against avoidable damage, loss and deterioration, and no lesser service shall be considered to be in harmony with the intent and spirit of this Agreement. The Employee shall be obligated to wear and use all provided safety equipment and maintain them in a reasonable fashion. All equipment purchased by the Employer must be returned to the Employer upon termination of employment. The employees shall perform such work and duties as are necessary to carry out the intent and spirit of this Section and this Agreement. Employees shall be obligated to be on time for their shift. In respect to any premises, employees shall continue, if required by the Employer, to perform such duties as they have previously performed, subject to the agreement of the Union. It is further agreed that the employees will obtain all governmental certifications as mandated by law for performance of all duties of the employee's position. After two attempts (at the Employer's expense) to pass each educational criteria the employee will be responsible for the cost of any additional attempts and after the third or subsequent failure to pass the test the employee can be demoted or transferred by the Employer.

In addition to these general duties, employees shall perform duties as set forth herein.

Helpers C and Helper C Trainee shall be responsible for the following duties:

(a) Keeping the premises clean and in order and employing reasonable diligence in the removal of snow to afford ready access into and past the buildings and garages belonging to the premises.

(b) Putting all ashes and other refuse into the receptacles provided by the premises for waste removal.

(c) Sweeping and dusting vacant apartments or flats, common areas (including party rooms, swimming pools, locker rooms, laundry rooms, etc.), keeping the plumbing fixtures, refrigerators and gas or electric ranges clean, and washing windows as often as may be necessary to keep the premises in presentable condition for rental, provided that employees shall not be required or permitted to wash windows on the outside above the ground level. In cases where there is an abnormal tenant turnover so that the need to clean vacant apartments cannot be fulfilled within the scope of the employee's normal daily duties and would place an abnormal burden upon the

employees, such employee shall either be scheduled on overtime for the completion of such work or shall not be required to perform all of the duties normally assigned to them in order that such work may be performed, it being understood that the basic principle shall be a fair day's work during a regular work day.

In addition to all the above duties of Helpers C, it shall be the responsibility of all other classifications set forth in Article II, Section 1(g), except Swimming Pool Attendants, to perform the following duties:

(d) Keeping the premises supplied with hot water at all times; keeping the premises heated in the cooler months; keeping the premises cooled in the warmer months where central air conditioning has been supplied; performing routine maintenance and repair on central and individual air conditioning units owned by the Employers under this Agreement or, where previously authorized or performed, in respect to units located in condominium or cooperative apartments; and making the most effective and economical use of the fuel and supplies furnished for these purposes.

(e) Giving such care to apparatus as may be necessary for its continuous operation and functioning, and conserving equipment and keeping it in good condition. Emergency repairs required to prevent immediate damage shall be performed.

(f) Assisting in the renting of vacant apartments, offices and garages or other vacancies on the premises by showing them to prospective tenants upon proper authorization by the Employer. Such showing of vacant premises shall be required only during the employee's regular working hours and, when deemed necessary, by appointment made and verified by the Employer. The Employer shall not use the employee's telephone number in any advertisement relating to rentals unless authorized by the employee. No employee shall be used to assist in the sale of any premises by showing it to any prospective buyer except when accompanied by a representative of the Employer, nor shall any employee make any statement to a prospective buyer covering the occupancy or condition of the premises or the apparatus or equipment pertaining thereto.

(g) In respect to work done by other contractors and laborers on the premises, the employee may be requested to observe the progress of the work, report thereon to the Employer and give their best opinion concerning the satisfactory performance of such work.

(h) Putting up and taking down window and door screens, storm doors, and windows as the season requires or according to any local ordinance or regulation, and keeping such equipment in presentable condition and properly stored when not in use. In respect to storm windows, the Employer shall provide employees with such additional help as is reasonably necessary to aid and assist this work.

(i) To supply hand tools at their own expense.

(j) In addition to all the above duties, Chief Engineers and Assistant Engineers shall be required to subscribe for telephone service at their place of residence, provide the telephone number to the Employer and to pay for the cost of local calls. The Employer shall reimburse the employee for all calls made in the discharge of their duties for the Employer. To be entitled to reimbursement, the employee shall keep (and furnish upon request) a record of the telephone numbers called, the name of the party called, the nature of the call (i.e., supplier, contractor, tenant, etc.) and the date of the call.

(k) In addition to all of the above duties, Chief Engineers and Assistant Engineers may be required by an Employer to assist with the following: (i) scheduling of vacations, holidays, and floating holidays for janitors; (ii) training the janitorial staff; (iii) monitoring the performance of duties by janitorial staff; and (iv) reviewing the hours scheduled and worked by janitorial staff for the purpose of payroll.

Section 2. Prohibited Work. Employees shall not be required by an Employer:

(a) To do work which will conflict with the recognized field of work of any other union except in cases of emergency or where the interest of the Employer will suffer from failure to have the work done at once, and except, further, as may be permitted pursuant to Subsection (d) of this Section 2.

(b) To collect rents or manage the property, enter into or sign any contracts for goods and/or services without written permission of the owner or agent of the building.

(c) To serve or deliver legal notices to tenants.

(d) To perform duties not normally considered janitorial or custodial in nature, unless it is work which has been regularly performed in the past by employees on the premises to the knowledge and with the consent of the Union. An Employer who desires an employee to perform special assignments in addition to their regular duties shall notify and discuss the work in question with the Union. The basis of compensation for such work, in addition to the regular wages due under this Agreement, shall be negotiated with the Union. In the event that the Employer and the Union disagree as to the appropriate wage after discussion, this wage dispute may be submitted to arbitration under Article XV of this Agreement.

(e) To use their apartment as receiving rooms or to act as receiving clerks, except in emergencies.

(f) To hire, transfer, suspend, lay off, recall, promote, discharge, reward or discipline other employees, or to recommend such action, or to adjust their grievances. In no event shall a Chief Engineer be either required or permitted to perform such supervisor duties, nor to prepare or execute a written recommendation that an employee covered by this Agreement is to be discharged, suspended, or otherwise disciplined. However, this shall not limit the requirement that any employee covered by the collective bargaining agreement may be asked to give a written statement as to their knowledge of the facts which were involved and resulted in the disciplinary action.

(g) To make up their regular work when they are taken away from their normal jobs to perform assignments or duties at the direction of the Employer, unless their regular work may be reasonably performed during their regular working hours or performed as overtime work upon agreement by the employee.

(h) To utilize their spouse to perform or assist in the performance of their job, nor shall such work be permitted.

(i) To employ or to permit the employment of others to assist them in the performance of service under this Agreement. Nor shall any employee undertake to work for any Employer at more premises than can reasonably be serviced faithfully and efficiently in accordance with the provisions of Section 1 of this Article IV.

(j) To take orders from any tenant or other person not expressly designated by the Employer to give orders, except in case of emergency.

(k) Persons who are not members of the bargaining unit shall not be permitted to do unit work or work covered by this Agreement except in emergencies or when unit employees are not readily available.

(l) All skills taught by the Union Training Programs shall not be prohibited work for a Chief Engineer, Assistant Engineer, or Helper A.

Section 3. Employee Obligations Upon Termination. An employee shall give the Employer fourteen (14) days' notice in writing before leaving their job. An employee who fails to perform their duties during the notice period shall be subject to termination prior to the expiration of the notice period. If the employee finds it necessary to leave before the expiration of such notice period, they shall, with the prior approval of the Employer, furnish a temporary qualified substitute. The Employer shall be entitled to employ temporary employees to carry on services until such time as a regular replacement can be engaged.

Section 4. Obligation to Release Apartment. An employee who is discharged for just cause or who quits shall vacate any apartment which has been furnished to them under this Agreement not later than fourteen (14) days after notice of discharge or quit, unless extended by agreement, and shall at that time, in addition, return to the Employer all keys, equipment or other property of the Employer for which the employee has signed as having received, excepting only such property as was necessarily expended in the course of employment. An employee who is discharged immediately, in accordance with Article V, Section 2, shall also vacate any apartment furnished under this Agreement not later than fourteen (14) days after the termination.

The Union shall utilize its best efforts to require affected employees to comply strictly with this requirement. If such efforts are unsuccessful, the employee will be liable for the payment of rent for each day they remain in the apartment after the effective date of the termination or the agreed extension of time for vacating the apartment. The amount of daily rent shall be the pro rata amount of a monthly rent equal to 25% of the employee's regular wage rate but shall not be in excess of the amount permitted or provided under any law or program applicable to such building.

ARTICLE V

The Obligations of the Employer

Section 1. General Obligations. The Employer shall have the following obligations:

(a) To pay the wages of employees in accordance with the basic wage scale and to provide for all other benefits established under this Agreement.

(b) To furnish uniforms if required by the Employer and to clean and repair them at the Employer's expense. However, it shall be the employee's responsibility to clean and maintain the uniform when the employee fails to return the uniform for cleaning in a timely manner.

(c) The Employer shall provide and pay for safety equipment in accordance with the provisions of the Personal Protective Equipment Standard promulgated pursuant to the Federal Occupational Safety and Health Act or any Federal, State or Local rules or regulations.

(d) The Employer may prohibit the wearing of non-uniform hats, sandals, athletic shoes, open toed or other non-work related shoes by employees.

Section 2. Discharges. No employee shall be disciplined or discharged except for just cause. In cases of gross misconduct (including, but not limited to, dishonesty, insubordination and the like, willful destruction of the Employer's property, drinking alcohol on the job, cannabis use on the job, possession or unauthorized use of controlled or illegal substances on the premises, or working under the influence of alcohol and/or drugs or working under the influence of cannabis a serious instance of sexual harassment or harassment based on another federal, state or city protected class, possession of firearms, or failure to return to work without justifiable cause following a personal leave of absence) employees may be subject to summary discharge without prior notice. Subsequent written notice of the discharge shall be provided to the employee and the Union within five (5) days of the discharge. In all other cases, employees shall be entitled to fourteen (14) calendar days' written notice of discharge with a copy of such notice to be simultaneously sent to the Union. Failure to notify the Union in this regard shall nullify the notice to the employee. The notice shall state the reasons for the discharge and shall be signed by the Employer or their designated representative. In no event shall the notice be signed by an employee in the bargaining unit. Where the Union consents, the Employer may be permitted to pay the employee for the fourteen (14) calendar days instead of keeping them on the job. In any event, where the discharge is immediate, the employee shall be permitted to occupy the apartment furnished on the premises for no more than fourteen (14) calendar days thereafter. During the fourteen (14) calendar day period, the Union shall investigate the reasons for discharge and may grieve the discharge pursuant to Article XV if it is of the opinion that the discharge was not for just cause. No employee shall be discharged while they are not at work due to vacation. Except as otherwise provided herein, all monies due or which have accrued, including vacation or accrued vacation allowances and holiday pay, shall be paid to an employee within five (5) business days. No warnings or reprimands shall be considered for purposes of disciplinary action after twenty-four (24) months from the date of the warning or reprimand.

Where an employee is not entitled to fourteen (14) days' notice of discharge under this provision, the employee shall nevertheless be entitled to a written notification of such discharge, including a statement of the reason/s for the discharge. Where it is not practical to give such notice prior to or at the time of discharge, it shall be given as promptly as possible but not later than five (5) calendar days following the discharge, by certified mail, return receipt requested or by fax.

Section 3. Layoffs. Layoffs due to lack of work shall be in accordance with the length of service of the employees within each classification at the premises in which the employees are employed so that the employee with the least service in an affected classification shall be laid off first, except that a junior employee having special skills and qualifications not possessed by a senior employee may be retained without regard to seniority. Employees in a higher classification shall have the right to exercise seniority and replace the least senior employee in a lower classification at the lower rate of pay. The Employer shall give the Union and the employees affected not less than fifteen (15) days' notice of any such layoff. Recall from layoff shall be in the reverse order of the layoff so that the employee last laid off in an affected classification shall be the first to be recalled for a maximum of one year after the most recent layoff.

Section 4. Seniority. The term "seniority" shall mean an employee's length of unbroken service on the premises, by classification. An employee's seniority rights shall not be affected by a change in ownership or management of the premises so long as said employee remains in the employ of the new owners or managers.

No employer shall transfer any employee to different premises without the prior consent of the employee and notification to the Union.

Seniority shall not be broken except by:

- (a) discharge for cause,
- (b) resignation,
- (c) layoff for more than one year, except that employees having less than one year's service shall retain their seniority only for a period equal to their length of service, or
- (d) failure to return to work upon expiration of leave of absence.

Seniority rights shall not apply to temporary or relief employees.

Section 5. Promotions and Transfers. In the case of employees applying for transfers to a different shift within the same classification, the most senior applicant shall be entitled to any available opening. Within thirty (30) working days of any promotion or transfer under this section, the employee may be returned to their former position if they are unable to demonstrate the ability to perform the work or otherwise adequately meet the requirements of the new job or shift. The Employer shall provide notice to the Union at the time any job opening within the bargaining unit becomes available, in accordance with the terms of Article III, Section 4, and shall also notify the Union of any promotion or transfer of employees within the bargaining unit.

Section 6. Changes in Ownership and/or Operation-Successorship.

(a) Obligations of Owner and/or Management Agent. In the event of the sale, transfer, assignment or other change, in whole or in part, of the ownership or operation of any premises covered by this Agreement (whether voluntary or by operation of law), including changes incident to conversion to a condominium or cooperative form of ownership and operation and including, also, a change in the Management Agent/s or Representative/s or other person/s acting for the Owner/s or in the place or stead of the Owner/s in the operation of the premises, it shall be the obligation of the Owner and/or Management Agent:

(1) Prior to the date of any agreement for the sale, transfer, change of management representative or other change in the ownership or operation of the premises, to provide the successor owner, transferee, or assignee with a copy of this Agreement and to advise such person/s in writing that the premises are subject to this Agreement and that its terms expressly provide that it is binding upon the successors, executors, administrators and assigns of the Owner and all other persons acting as or on behalf of the Employer in respect to the employees represented by the Union at the premises; and

(2) To notify the Union in writing, not later than five (5) working days after the date of the agreement for sale, transfer, or other change in ownership or operation of the premises, that it has taken the action specified in paragraph (1) above and provide the Union with the name and address of the successor Owner and/or Management Agent, as applicable.

(3) To provide the Union and successor owner or management agent a full list of currently employed members the information below within 5 working days after the last payroll is processed.

1. Date of hire as a SEIU union member at current property
2. Rate of pay
3. Job classification
4. Vacation days used or paid in current contract year
5. Regular or disability sick leave days used or paid in current contract year
6. Floating holidays used or paid in current contract year
7. Unused sick leave accumulation
8. Voluntary contribution authorizations to ABOMA 401K Savings Plan or COPE
9. Leave of absence, sick leave status, if applicable
10. Union leave issued during current contract year
11. Housing allowance, if applicable
12. SEIU Health fund co-pay election

(b) Compliance and Failure of Compliance. Notwithstanding any other provision herein, an Owner or Management Agent, Representative or other person acting for or in place of the Owner in the management and operation of the premises who complies with the provision of Paragraph (a) of this Section, shall not, following the effective date of the change in ownership or management, be liable for any failure of any successor to adopt or abide by the terms of this Agreement. An Owner or a Management Agent, Representative, or other person acting for or in place of the Owner in the management and operation of the premises who fails to comply with the provisions of Paragraph (a) shall be liable to the Union and the affected employee/s for such damages as may have been sustained by them due to such failure.

(c) Accrued Liabilities. Notwithstanding the provisions of Paragraphs (a) and (b) of this Section, in the case of any change in ownership or operation of the premises, the prior Employer/s shall pay to each employee all wages and holiday pay, and to the Health, Pension, and Training Funds all contributions, which have accrued up to and including the last day of the Employer's control, possession, ownership, or management of the premises, and shall make such payment by no later than the effective date of such change. In the event that there is outstanding pro-rated vacation pay due and owing to employees at the premises on the date of such change, either (i) the amount of such pro-rated vacation pay shall be paid by the prior Employer on or before the date of the change, or, (ii) if the successor and predecessor Employers agree, the successor Employer shall pay the entire vacation amount due at the time the employee takes their vacation in accordance with the provisions of this Agreement, provided that the Union has been notified in writing of such agreement. The prior Employer shall remain liable for any and all employee benefits (except for accumulated sick leave noted in paragraph e below) which have accrued up to and including the last day of the Employer's control, possession, ownership, or management of the premises, unless otherwise expressly provided in writing between the parties and notice thereof given to the Union.

(d) Rights Against Successors. Successors shall honor previously agreed upon benefits (i.e., wages, work schedules, and paid time off). Nothing contained in this Agreement shall be deemed to limit or diminish in any respect whatsoever any rights which the Union may have for the enforcement of this Agreement against any transferee, assignee or other successor pursuant to applicable law and to pursue such rights before any court or other tribunal or in any proceedings permissible under law in addition to or as a substitute for arbitration under the provisions of this Agreement. In any event and notwithstanding any of the provisions of Article XIV, the Union shall

have the right to engage in strike, picketing, or other lawful economic action against the transferee and/or against any successor management agent, representative or other person acting as an Employer who fails to recognize and to adopt this Agreement, but such action shall be limited by the provisions of Section 4 of Article XIV.

(e) Any accumulated unused sick leave up to the maximum accumulation of thirty (30) days, as provided for in Article VII Section 4(a), will be transferred to the successor and will not be paid out by the Employer.

Section 7. Subcontracting. Except, as provided hereunder, no Employer shall subcontract to any person, in whole or in part, any of the work within the scope of this Agreement without the agreement of the Union, which shall be evidenced in writing.

- (a) During the term of this Agreement, the Employer may contract for all or part of the services being performed or to be performed by employees within the scope of this Agreement, provided that the Employer includes in the agreement with such contractor the following provisions:
 - (1) The contractor must observe the economic terms and conditions of this Agreement such as wages, hours, fringe benefits and other terms and conditions of employment applicable to cleaning and maintenance personnel;
 - (2) All employees currently employed by the Employer shall be offered employment by the contractor as a condition of any contract between the Employer and the contractor (provided that the employees are not probationary and do not have to go through pre-employment screening); and
 - (3) In the event the contractor shall not faithfully observe the terms of this Agreement, the Employer may terminate its agreement with the contractor upon 30 days' notice, a copy of which shall be sent to the Union.

The Employer shall act as guarantor and be liable for compliance with all the terms and conditions of this Agreement and, in the event that the contractor shall fail to observe the terms of this Agreement, shall assume all the responsibilities and liabilities hereunder.

- (b) The Employer shall be permitted to hire a contractual cleaning company to perform a seasonal or temporary task that would otherwise be performed by a janitorial employee where such seasonal or temporary task cannot be completed by the regular janitorial staff within the normal working schedule, provided that:
 - (1) Where such subcontracting will not be completed within two (2) weeks, the Employer shall provide the Union with prior written notice of such subcontracting and the dates on which such subcontracting will begin and end; or
 - (2) Where such subcontracting will be completed within two (2) weeks, such notice may be given to the Union orally.

ARTICLE VI
Compensation And Hours Of Employees

Section 1. Wage Scale and Rates.

(a) Establishment. The wage rates for Chief Engineers, Assistant Engineers, Helpers and other existing job classifications in which employees are presently employed have been negotiated and have become fixed contract rates applicable to such classifications. Such rates shall not be less than the minimum rates established for such jobs in this Agreement and may, in particular instances, be higher than the minimum rates. In no event shall existing rates which are higher than the minimum rate be reduced but, instead, shall be increased by the amounts specified in Subsection (a) of this Section 1. The increases shall not apply to Swimming Pool Attendants. The wage rates for such job classifications at premises not heretofore covered by this Agreement, or, if covered, for jobs not established at such premises, shall be the rates specified in this Agreement for such classifications or, where no fixed rate is established for a particular classification, shall be the rate established by negotiations between the parties, based upon the wages applicable to such jobs in premises of the same general type in the same general area. In respect to job classifications falling within Paragraph (a) (7) of this Section 1, it is recognized that no uniform rate for such job can be established in view of the non-uniform nature of their job content and it is, accordingly, agreed that the rate for each such job shall in each case be established by negotiations taking into account the particular duties to be performed by employees in each such job, provided that the negotiated wage rate for any Maintenance Employee shall be not less than the wage rate for a Helper A on the premises. Any controversy which arises in setting a wage rate under this Agreement which cannot be settled by negotiations shall be settled under the arbitration procedure set forth in Article XV.

Any employee receiving a wage rate in excess of the hourly rate herein shall continue to receive the higher wage rate in addition to the increases provided in this Section.

- (1) **Exclusive Service Chief Engineers.** Effective December 1, 2021 the hourly wage of all Exclusive Service Chief Engineers shall be increased by eighty (\$.80) cents per hour over their hourly wage which was in effect as of November 30, 2021. (ii) Employees hired on or after December 1, 2011. Employees new to a shift who are employed on a shift in which the greatest number of working hours come within the period of 12 midnight to 6 a.m. shall receive a premium of five percent (5%) over the regular rate for such jobs for all hours worked provided that such night shift differential has not been expressly negotiated and added to the rate of such jobs.

(c) Parking Lots. Effective May 1, 1998, with respect to all buildings having parking lots adjacent thereto, no additional compensation shall be required for servicing such lots. However, all employees hired prior to May 1, 1998 who have performed such services under the Agreement effective from December 1, 1996 through November 30, 1998 and who were paid additional compensation for such services shall continue to perform such services and shall continue to be paid such additional compensation.

Section 2. Condominiums and Cooperatives. Wages for employees in cooperatively owned buildings or condominium apartment buildings shall be equivalent to the wages applicable to rental buildings of the same general type for the same general area.

Section 3. Bonuses. Any payments made by the Employer which are in excess of the wage rates established under this Agreement and which are made at its discretion shall be considered as bonus payments and shall not be considered as a part of the established wage rate hereunder for that employee, provided, however, that such payments shall not be deemed to be bonus payments unless the Union is informed of the bonus by the Employer. Bonuses shall apply only to the individual employees who are receiving them. Bonuses for such individuals shall not be reduced by nor shall they be offset against any wage increases due under this Agreement. Bonus payments need not be included in computing sums due to the Local No. 1 Health, Training or Pension Funds.

Section 4. Living Quarters. Chief Engineers (and Assistant Engineers and other employees for whom it has been negotiated or who are otherwise being so provided, whether or not they are exclusive service janitors) shall be provided living quarters, rent free, with all such services as are customarily provided a tenant in the premises as part of such tenant's rent, including air conditioning. Such apartment shall be heated at the expense of the Employer and shall be decorated at least once every two (2) years at the expense of the Employer. In the event, however, that decorating services are not provided to tenants, such employees shall be provided with the necessary paint and other materials required to decorate the apartment and reasonable time off within which to perform that work. In any event, however, the apartment shall be decorated at the expense of the Employer when such employee is replaced by another such employee in the building. No Employer shall be required to furnish the employee more than one (1) apartment as living quarters but such apartment shall include one (1) bedroom if there is such an apartment in the building and shall be in good and habitable condition. No employee shall be required to post a security deposit for an apartment. No Employer shall be required to furnish living quarters for any Helper or other classification of employees or for relief janitors. It is expressly agreed, however, that the cost or value of any living quarters, decorating or any other tenant services provided in accordance with this Agreement shall not be considered or included as part of the wages paid to any employee covered by this Agreement, but shall be deemed only to be in addition to such wages, and for the convenience of the Employer. Nor shall the value of the living quarters be deemed, in whole or in any part, as an offset against overtime or any other pay which may otherwise be due to an employee. An employee who is provided an apartment under the provisions of this Agreement may be required to sign a lease if the Employer requests the employee to execute such lease. However, such lease shall become operational and binding only on the effective date when the employee's right to occupy the apartment as an employee expires. Upon termination of the employee's rights to continue the occupancy of the apartment, whether such termination of the employee's occupancy rights have been effectuated by discharge for just cause by the Employer or voluntary termination of employment by the employee, shall any lease, regardless of the date of such lease, become effective.

Upon termination of an employee who has not executed a lease, such employee's tenancy shall be considered month to month and shall be deemed covered by the terms and conditions of the most recent standard lease form used at the premises by the owner or manager. It is expressly understood that this Agreement takes precedence over such a lease and any provisions in a lease which are contrary to the provisions of this Agreement shall be invalid and unenforceable in a court of law or otherwise. No employee shall be entitled or permitted to sell, lease, or sublease any apartment, or other space, parking space, amenity or privilege of the employee to a third party. In the case where living quarters are provided which are in excess of what is required hereunder, a use and occupancy agreement may be entered into covering such arrangement.

No employee shall have the right to refuse the occupancy of an apartment unless both the Union and the Employer shall mutually agree for good cause shown to excuse the employee from such occupancy. However, in such a case, or if an apartment is not available or not furnished to the employee for good cause shown, an apartment allowance shall be negotiated in lieu of the apartment based on the average fair market rental for a one-bedroom apartment in the area for purpose of insuring that the employee will reside in a location convenient to the premises for which they have responsibility. An apartment allowance for employee hired by the Employer after December 1, 2008 who reside more than 10 miles from the building does not have to be negotiated. Employees under this Section shall be required to occupy the Living Quarters provided during their scheduled work week (including on-call time).

Section 5. Work Week for Chief and Assistant Engineers. The regular work week for Chief Engineers and Assistant Engineer shall consist of forty (40) hours per week arranged to provide such employees with time off from the premises consisting of 48 consecutive hours each week; provided, however, that if another employee is not available for emergency service during such period either the employee shall be available or provide a substitute approved by the Employer as a substitute for such period at no cost to the employer. Upon good cause shown and with the approval of the Union, the Employer may on a temporary basis adjust the regular workweek for Chief Engineers and Assistant Engineers.

Section 6. Work Week for Helpers and Other Employees. The regular work week for Helpers and employees in other job classifications specified in Sections 1(a) (4), 1(a)(5), 1(a)(7), 1(a)(8), and 1(a)(9) of this Article shall consist of five (5) consecutive days of eight (8) hours each comprising forty (40) hours per week. Upon good cause shown and with the approval of the Union, the regular workweek may be adjusted provided that all days within the regular workweek are scheduled to be worked consecutively.

Section 7. Overtime. Sections 5 and 6 above are intended only to establish the regular work week of the employees covered thereby and do not prohibit the Employer from scheduling reasonable mandatory overtime on the sixth and seventh day of an employee's work week. Hours worked in excess of eight (8) hours in one day (unless otherwise expressly agreed to by the Union) or forty (40) hours per week by employees shall be paid at the rate of one and one-half (1-1/2) times their regular rate of pay. In no event shall time off be substituted for overtime pay in any case. No employee may work overtime without authorization of the Employer except in the event of an emergency. If, at the request of the Employer, an employee does not work a holiday that would otherwise be a scheduled work day and is called back to work on Employee's day off within the same work week, the hours worked shall be compensated at the overtime rate provided that the Employee has worked all other scheduled hours during the work week.

Section 8. Wage Computations. The regular hourly rate of the employees specified in Section 5 and Section 6 of this Article VI shall, for all purposes including overtime, be computed by dividing the monthly rate by 173.33 hours. In no case shall time off or any other benefit whatsoever be substituted for overtime pay. The regular daily pay of an employee for an 8-hour day shall be equal to 4.62 percent of the monthly wage. The regular weekly pay for an employee for a 40-hour week shall be equal to 23.1 percent of the monthly wage. The regular bi-weekly pay for such employee shall be equal to 46.19 percent of the monthly wage. The regular semi-monthly pay for such employee shall be equal to 50.0 percent of the monthly wage.

Section 9. Reporting Pay. In the event any employee is called back to work for an emergency, the employee shall be paid for all time worked at the appropriate rate (including the overtime rate when required by Section 7) plus one hour at straight time as travel time if the employee does not live on the premises.

Section 10. Maintenance of Benefits. No benefits, privileges or other terms and conditions of employment heretofore in effect for employees covered by this Agreement which provide conditions more favorable than what is established under this Agreement shall be reduced or eliminated, but shall continue in full force and effect, except by express written agreement with the Union. This provision, however, shall not apply where such benefits are in contravention of this Agreement or were established and applied solely in respect to a particular employee/s based upon special facts applicable to such employee/s and such facts do not any longer apply to such employee/s or to the replacement for such employee/s.

Section 11. Pay Discrepancies. Employers will make their best effort to issue paychecks for pay discrepancies within two (2) business days after being notified by employee or Union.

Section 12. For employees called in for mandatory building meetings or training, there shall be two (2) hours minimum straight time pay.

Section 13. Express Waiver of Chicago Fair Workweek Ordinance. The parties expressly agree that all rights, requirements, and benefits under the Chicago Fair Workweek Ordinance are hereby expressly waived.

When, however, one-half of the employee's hours falls on a regular day and the other one-half falls on a holiday, the day on which the employee starts to work shall determine whether or not it is a holiday.

(3) Regardless of the provisions of this Section 1, an employee shall not be eligible for holiday pay unless they have worked both the last scheduled day of their regularly scheduled workweek prior to the holiday and their first scheduled day of their regularly scheduled workweek subsequent to the holiday, unless the absence is excused for illness, injury or other bona fide reason. (c) No more than one (1) Floating Holiday shall be taken in any one (1) quarter of the contract year.

(b) Prorated Vacation Pay. An employee with at least six (6) months of continuous service on the same premises whose employment terminates before they qualify for their next vacation shall be entitled to prorated vacation pay equal to one-twelfth (1/12th) of their vacation pay for each full one (1) month of service for which they have not received prior vacation allowance credit whether or not such service precedes June 1st of any year.

(c) Scheduling. Vacations may be scheduled at any time during the year as agreed between the Employer and employee. Vacation scheduling requests shall be granted in the order in which they are received. If vacation schedules are submitted at the same time, preference on the basis of seniority will be granted.

(d) Substitutes. The Employer may hire a temporary or substitute employee for each employee on vacation so that the same number of employees in all classifications shall be maintained during vacations. On premises where no Helper is employed, the Union may furnish, at the Employer's expense, a substitute employee in the classification of the vacationing regular employee.

(e) Use-it or Lose-it for Vacation. Employees who are awarded their annual vacation on a particular date (whether on December 1, January 1, or the anniversary of the employee's hire date) must use that vacation within 12 months of the date it is awarded or such vacation is forfeited. For example, an employee who is awarded their two weeks of annual vacation on December 1, 2020 must use that two weeks of vacation by November 30, 2021 or it is forfeited. In order to enforce this use-it or lose-it requirement for vacation, the Employer must allow the employee a reasonable opportunity to use their available vacation. Any Employee unable to use their vacation fully in a year because of the employer not approving requested time off shall be allowed to be paid out the last pay period of the current accrual year.

(f) Any Employee on a three (3) month or more leave of absence shall have to work ninety (90) days after returning from leave to use any accrued vacation. If an employee on leave does not return to work, they shall not be paid out for any vacation accrued during the leave.

Section 3. Sick Leave.

An employee with a bona fide work related injury will be entitled to a maximum of one year leave of absence. If the employee occupies an apartment on the premises, the employee shall continue to live there rent-free during the leave of absence.

In addition, the Employer shall continue to make payments to the Local No. 1 Health Fund, Local No. 1 Pension Trust Fund, and the Local No. 1 Training Fund for an employee for the leave of absence period which is provided by this section; an Employer who voluntarily extends the leave of absence beyond the period required by this section is not obligated to continue making payments to the Funds during the period of such extension. An employee engaged as a substitute for the employee on leave shall not be entitled to an apartment, provided that if the Employer requires that the substitute live on the premises the Employer and the Union shall agree upon a suitable arrangement to accommodate the Employer's operating needs. Nor shall the Employer be required to contribute to the Local No. 1 Health Fund, Local No. 1 Pension Trust Fund, or the Local No. 1 Training Fund on account of the employment of a substitute.

Employees on a leave of absence must complete the following:

- a. supply medical substantiation of the need for leave as required by the Employer;
- b. regular bi-monthly updates by the employee (either by phone or email) giving their status during the leave.

To the extent any provision of this Agreement or any policy or practice of the Employer is contrary to the FMLA, such provision, policy or practice shall be deemed modified so as to conform to the requirements of the FMLA. Only in the event an employee takes a leave of absence for which they are eligible pursuant to the FMLA and not pursuant to a specific provision of this Agreement, the employee must first exhaust all unused vacation time towards the twelve (12) week FMLA period.

(c) Employees responsibility for Union Dues, COPE, Health Copay. It is solely the employee's responsibility to pay Union dues, contribution to COPE or provide Health Insurance co-pay while the employee is on disability, workers' compensation or leave of absence.

(a) Regular Sick Leave. All employees who have accumulated a minimum of six (6) months of service with the same Employer or their successor or predecessor shall be entitled to five (5) days of sick leave in each year of employment, measured from date of hire, without suffering any loss or reduction of earnings for bona fide illness preventing them from performing their job duties. Employees may carry over any unused sick days from year to year, up to maximum accumulation of Thirty (30) days. An employee shall notify the Union and their Employer promptly in order to be eligible for sick leave payments and shall, upon the request of their Employer, present

medical evidence of their illness for absences of two (2) or more consecutive scheduled work days. Sick leave taken immediately before or after a scheduled vacation unless substantiated by acceptable medical evidence is considered to be an unexcused absence and the employee is not eligible for sick leave pay.

(b) Employees who have been continuously employed by an Employer for ten (10) years or more, retire from employment and apply for their pension from the SEIU Local No.1 Pension Fund shall receive at the time of retirement, in addition to all other benefits, payment, at the regular straight time rate of pay, for one hundred percent (100%) of the unused accumulated sick day's credit (including a prorate portion of the present year's credit.

(b) Disability Sick Leave. In addition to regular sick leave provided under Section 4(a) above, an employee who meets all of the foregoing conditions of Section 4(a) shall also be entitled to receive up to 23 days of paid sick leave in each year of employment, measured from date of hire, for time during which they are unable to work due to bona fide disability, as evidenced by a written statement from their doctor, except that employees who have less than twelve (12) months of service with the same Employer or their successor or predecessor shall only be entitled to receive up to ten (10) days of paid disability sick leave. At the time of the request for the sick leave, the employee requesting leave must provide a Medical Statement with the date of their expected return to work. Under this subsection, "bona fide disability" shall mean any verifiable medical condition which requires hospitalization or outpatient surgery and shall not include routine illness. After an employee has used 50% of their available regular and accumulated sick leave under Section 4(a) above, the employee may then apply for use of any available disability sick leave.

In the case of a pandemic, as defined by the World Health Organization, where Federal or State laws do not cover paid sick leave, employees would be allowed to utilize the above provision if rendered medically unable to work due to that declared pandemic.

(d) At the employer's discretion and expense additional doctors opinions may be obtained to determine qualification for benefit.

(e) No pyramiding. An employee shall not be entitled to sick leave pay and disability payments under the state worker's compensation law for the same day of absence. If an employee received paid sick leave and subsequently received payment under worker's compensation for those same days, they must reimburse the Employer for the paid sick leave for which they were not entitled. The Employer may obtain such reimbursement through a payroll deduction plan.

(f) Express Waiver of Cook County and City of Chicago Ordinances. The provisions of this Section 4 are in lieu of the rights and benefits provided by the Cook County Earned Sick Leave Ordinance and the City of Chicago Paid Sick Leave Ordinance. The parties expressly agree that all rights, requirements and benefits under the Cook County Earned Sick Leave Ordinance and the City of Chicago Paid Sick Leave Ordinance are hereby waived.

(g) Express Waiver of Illinois Employee Sick Leave Act. The provisions of this Section 4 are in lieu of the rights and benefits provided by the Illinois Employee Sick Leave Act. Section 6. Bereavement Leave. In the event of the death of an employee's spouse, parent, child, brother or sister, parent of current spouse, grandparent, grandchildren, stepchildren, and upon prompt notice to the Employer, any employee covered by this Agreement shall be entitled to three (3) consecutive working days off with no reduction or loss in earnings.

Such notice, in the case of the Union shall be given to its Principal Representative and in the case of an Employer shall be given to its designated Principal Representative. The parties shall then attempt to agree upon an arbitrator. Failure to act within the thirty (30) business day time period waives the grievance. (a) Either party shall have the right to strike the entirety of the first panel submitted by the Service and apply for a second panel.

If the parties are unable to reach agreement on a resolution, the Mediator will be empowered to issue a final and binding resolution, which shall be enforceable in a court of law in the same manner and with the same effect as if the Mediator's resolution was an arbitration award.

Section 10. Upon mutual written consent of the parties, time limitations contained in this Article may be extended.

Section 11. Upon mutual written consent of the Union and the Employer and with written notice to ABOMA, Section 3 (STEP 2) or, Section 4 (STEP 2 a) or Section 5 (STEPS 3, 4 and 5) of Article XV can be waived.
